

PUBLIC DONATIONS REQUIRED TO FIGHT THE QUARRY AT LEA CASTLE FARM!

Since the Judicial Review decision we have been waiting to hear the next steps of this long process. We have now been notified that there will be a second inquiry to determine the original appeal again.

We are in the process of getting organised to add any documentation or address any facts that have changed since the previous inquiry. Anything that has been already produced and submitted to the last inquiry is carried forwards to the next one.

We will again be wanting a show of ongoing support and will let you know how you can help with this as we go.

In the meantime we are getting legal advice again from our barrister and I am afraid that we do need to ask for any financial contributions people feel they can make. If financially we are able, we will also look to seek independent technical reports on behalf of the community that challenge new evidence submitted by NRS Aggregates.

WHAT CAN WE DO TO HELP?

We need funds to pay for our barrister who is representing The Action Group (that's you, the community) we'd also like to source our own technical reports that will challenge evidence submitted within this next inquiry

Any donations small or large are greatly appreciated, we get 100% of all donations that are deposited within the 'Stop The Quarry Group' bank directly, details are below;

Name - Stop the quarry group

Account No 23001660
