

URGENT COMMUNITY MEETING - YOUR SUPPORT IS NEEDED!
✳ STOP THE QUARRY AT LEA CASTLE FARM ✳

Thanks to your incredible support, we won the initial public inquiry to stop the proposed sand and gravel quarry at Lea Castle Farm in May 2023. However, the decision was overturned by the High Court in November 2023, meaning we now face another public inquiry starting on November 5th 2024 at The Stourport Manor Hotel.

This is a critical moment for our community. We need your help more than ever to protect our homes, environment, and health from the devastating impact of this proposed quarry.

Join us at our public meeting to discuss our next steps and how you can help. We urgently need your support—whether it's through donations, volunteering, or spreading the word—to fund this next phase of our fight.

Together, we can protect Lea Castle Farm!

Let's come together as a community to ensure our voices are heard loud and clear.

We cannot do this without you. Please attend and bring your friends, family, and neighbours. Every bit of support makes a difference.
